

MANIK CHAND SAHU

 +91-8463826226  manikmnr315@gmail.com  manik-chand-sahu-Linkedin  Github  Portfolio

Technical Skills

Languages: TypeScript, JavaScript, SQL, PostgreSQL, HTML, CSS

Frameworks & Libraries: React.js, Next.js, Node.js, Express.js, Convex

Tools & Platforms: Git/GitHub, Docker, AWS, Visual Studio Code

EXPERIENCE

Kasolco Technologies Private Limited

June 2025 - Present

Frontend Developer Intern

- Implemented over **15+** responsive UI components using **React.js**, **Next.js**, and **Tailwind CSS**, contributing to a **30%** improvement in user engagement and smoother cross-device experience.
- Connected over **10** external **APIs** with React frontend using **Axios**, creating a seamless data pipeline boosting application performance by **40%** through reduced page reloads and improved user experience.
- Built reusable form elements, custom dropdowns, and modals, decreasing **UI** development time by **25%** and minimizing layout shift issues, resulting in a more consistent user interface.

PROJECTS

VirtuSpace | *Next.js, Express.js, WebSocket, PostgreSQL*

- * Architecting a **2D metaverse platform** focused on the real-time collaboration in virtual office spaces.
- * Building personalized avatars and customizable rooms to enhance user engagement and team interaction.
- * Developing document sharing, video conferencing, and task management inside the virtual workspace.

College Connections | *Next.js, PostgreSQL, AWS S3, Auth.js*

- * Developed a social platform for **500+ students** to connect through personalized profiles and social links.
- * Implemented a robust search and filtering system for reducing the study material discovery time by **45%**.
- * Built a **chatbot assistant** that provides personalized responses exclusively to engineering-related queries.

FlowDocs | *Next.js, LiveBlocks, Tiptap, Convex*

- * Developed a real-time collaborative document editor enabling seamless multi-user editing with low latency.
- * Optimized backend storage with Convex, improving document load times by **30%** and boosting efficiency.
- * Enabled **5+ concurrent users** to edit the documents simultaneously with under **200ms** editing latency.

ACHIEVEMENTS

- **1st Position** in the Hackovation 2.0 2024, an **inter-college hackathon** organised at GEC Bilaspur.
- **2nd Position** in CSVTU Hackathon, represented Virtual Space in the final round at GEC Bilaspur.
- **5th Position** in the **Summer of Code 2024** coding competition, among the 50+ participants.
- **1st Position** in the Ideathon 2024 organized by LCIT Bilaspur, competing against the 100+ teams.
- **Solved 250+ DSA problems** across platforms like LeetCode, GFG, CodeChef, and HackerRank.

Positions of Responsibility

Web Development Member Lead, GDSC GECB

September 2024 - May 2025

- * Led a team of developers in designing and building web applications as a Web Development Lead for GDSC.
- * Coordinated GDSC Summer of Code (**30 Days Coding Challenge**) and sessions on Google technologies.
- * Directed multiple web development initiatives, ensuring efficient project management and quality delivery.

EDUCATION

Government Engineering College Bilaspur

B.Tech in Information Technology - 7.67/10 CPI (Till 3rd semester)

August 2023 – Present

Bilaspur, Chhattisgarh

D.A.V Mukhyamantri Public School, Kansabel

Class 12th (PCM) – 87%

June 2020 – May 2021

Kansabel, Chhattisgarh
